

GOLD CLUB

Benefits

Access to Sports Centres

We will negotiate on your behalf, with a local sports centre to help gain free of charge access to training facilities for your supplementary training (not sport specific). This could be a private or local authority run gym/sports centre close to where you live or train.

Contact christine.bower@teamgb.com (or complete the relevant section on the Team GB Gold Club application form) giving the name of the Manager, full address and most importantly, email address of the gym and we will write to ask for their co-operation in allowing you to use the facilities without charge. Please note that some clubs do not accept members under 18 years of age.

Once negotiated, your card will only give you free access to your nominated local sports centre/gym, it does not entitle you to free access to other sports centres that participate in the scheme. This is for individual use, as opposed to squad training. Unfortunately, a free training arrangement cannot always be guaranteed.

There is no obligation to do any marketing activity for Toyota in exchange for this deal.

Toyota are an IOC sponsor and are keen to support Team GB athletes in the UK, with this car scheme. They are a sponsor until 2024 and also a partner of the Team GB Ambition Programme.

How it works

Apply for a Team GB & ParalympicsGB Car Scheme discount voucher by contacting Christine.bower@teamgb.com for an application form.

The vouchers are issued for a specific model and grade of car so you will need to provide this information on the form, which will also need to be signed by both you as the member and the purchaser, if you are not the purchaser. You will also be asked for the Toyota Centre you will use, however whilst this needs to be completed you can use any Toyota Centre to make your purchase once you have received the discount voucher.

How to redeem your voucher

Present your voucher at your local Toyota Centre. You will also be required to take along proof of identity (a UK driver's licence and an original utility bill or bank statement that is no more than three months old)

Vouchers need to be redeemed within 45 days of receiving the voucher. If the voucher is not used this can be voided and will not count against your purchase allocation. The same applies if you change your mind on the model/grade of car you wish to purchase – just request a new voucher.
